MAXINE JOHNSON, MAXINE BLACKMER  
ATTEND U WOMEN CONCLAVE IN JAPAN

MISSOULA--

Maxine C. Johnson, director of the Bureau of Business and Economic Research at the University of Montana in Missoula, and Maxine Blackmer, associate professor of art at UM, attended the 38th Triennial Conference of the International Federation of University Women Aug. 13-19 in Tokyo and Kyoto, Japan. Conference theme was "The Meaning and Measurement of Human Progress."

Johnson served as a discussion leader for a three-day seminar on economics and the environment. Blackmer attended sessions on the handcraft industries of Japan.

The Crown Princess of Japan, Michiko, was among the speakers opening the Tokyo portion of the meeting. Mayors of Tokyo and Kyoto and representatives of the University Women of Japan gave receptions for the conferees.
